Dear Fellow Administrators,

It is with great pleasure that I write this letter of recommendation for Dr. Gary Eisenberg. I have known and referred students at St. Paul Lutheran School to him for twenty-five years. Gary has also conducted some faculty workshops for us as well.

Gary is well versed in the atmosphere and academic structure of Lutheran Schools. I have always appreciated that Dr. Eisenberg addresses the student concerns without over testing and over analyzing. He is right on with his findings and develops a plan to teach the students strategies to overcome their roadblocks. Dr. Eisenberg always evaluates the student with the determination to advise as to whether our school is really the best fit for the particular student.

Dr. Eisenberg is very professional in his work and has provided very clear reports.

Feel free to contact me if you would any further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey E. Krempler", with a long horizontal line extending to the right.
